
Butte County Mosquito and Vector Control District

POLICY MANUAL

POLICY TITLE: Inspection and Surveillance

POLICY NUMBER: 4130

4130.1 Inspection and Surveillance on Parcels within the District's Service Area.

4130.1.1 The District shall endeavor to conduct annual aerial surveillance of parcels within its boundaries to identify potential vector breeding sources.

4130.1.2 The District shall, with the permission of the owner or the owner's representative, enter and inspect any parcel identified as a potential vector breeding source, and, abate any public nuisance found on the parcel.

4130.1.3 The District may, at the discretion of the District Manager, when permission to enter cannot be reasonably secured, pursue, and obtain an inspection warrant, and enter and inspect any parcel identified as a potential vector breeding source and, abate any public nuisance found on the parcel, pursuant to Health and Safety Code §2053 and Code of Civil Procedure §1822.50.
