
Butte County Mosquito and Vector Control District

POLICY MANUAL

POLICY TITLE: Professional Consultation
POLICY NUMBER: 3065

3065.1 Authorized Consultants: Legal and Medical Counsel is authorized to be retained, with the understanding that their function is to advise the Board of Trustees and the District Manager on legal or medical matters. Legal and Medical Counsel are consulted for professional advice when asked or when such professional advice appears necessary for the Board of Trustees of Trustees and or District Manager's edification. Legal and Medical Counsel may be retained or replaced at any time.

3065.2 Other Consultants: Other professional consultation may be necessary, but specific authorization is required by the Board of Trustees before such persons are hired or their services contracted for.

3065.3 Vector Control Joint Powers Agency (VCJPA) Counsel: The District currently uses VCJPA counsel or counsel recommended by VCJPA and approved by the District Manager on issues of liability directly affecting any one of the programs covered by the VCJPA.

3065.4 Mosquito and Vector Control Association of California (MVCAC): The District currently utilizes the MVCAC's counsel or counsel recommended by the MVCAC on issues concerning mosquito and vector control, budgetary items, anticipated litigation, laws and regulations.

3065.5 American Mosquito Control Association (AMCA): The District currently utilizes the AMCA's counsel or counsel recommended by the AMCA on issues concerning mosquito and vector control, budgetary items, anticipated litigation, laws and regulations.
