**8.2 Consider Adoption of Resolution #18-04 Affirming Compliance with USTCF**

The Board will be asked to consider approving and adopting Resolution #18-04 which affirms the District's compliance with the California Underground Storage Tank Cleanup Fund (USTCF), as provided in 40 CFR 280.107. The District passed the original Resolution affirming compliance with USTCF of May 11, 1994, and amended the current Resolution to comply with SB 1764 on June 12, 1996.

**8.3 Consider a Capital Expenditure in the Amount of \$40,000.00 for Change Orders to MapVision 2.0**

The Board will be asked to consider approving an additional capital expenditure in the amount of \$40,000.00 to cover change orders, edits, and enhancements required to make the MapVision 2.0 system work for the District, some of which the District has already approved. Currently, the District has over expended the original \$250,000.00 MapVision 2.0 project cost by \$25,267.00. The District is currently negotiating with Leading Edge and Associates on change orders, pricing, and required enhancements and may not need all additional approved allocations.

**8.4 Consider a Transfer of Appropriations from Accumulated Capital Outlay to Capital Outlay**

The Board will be asked to consider a transfer of appropriations from Accumulated Capital Outlay (reserve) to Capital Outlay in the amount of \$280,650.00 to cover the capital expenditures (solar project and MapVision 2.0 project) that were budgeted for in the 2017/2018 fiscal year budgets. Delays in both projects unexpectedly delayed the projects from being completed during the 2017/2018 fiscal budgets. \$152,000.00 of this transfer would be transferred to Capital Outlay, Buildings and Improvements to cover the solar project and the other \$128,650.00 would be transferred to Capital Outlay, Communications.

**8.5 Consider Declaring Surplus to Need 5 Beecomist Pro Mist and 2 Grizzly Smartflow Foggers**

The Board will be asked to declare 5 Beecomist Pro Mist and 2 Grizzly Smartflow Foggers surplus to need. The Board will be asked to consider donating the 5 Beecomist Pro Mist foggers to another mosquito and vector control district and to consider selling the 2 Grizzly Smartflow Foggers to another mosquito and vector control district for \$2,000.00 each. The 5 Beecomist foggers are outdated, missing parts, and very few are operable. The 2 Grizzly foggers are in good working order, but are too big for the current vehicles the District utilizes.
